

SCHOLARSHIP AND CHARITABLE GIVING COMMITTEE

COMMITTEE REPORT

December 7st, 2018

2018/19 Committee Goal

The goal of the committee this year is to continue our level of charitable giving through grants and donation and increase our giving through scholarships. We will do this by advertising and fostering the new Public Service Scholarship and promoting our current fundraising mechanisms (Basket Raffle at the Annual Conference, and the Golf Outing). We will also support the Clarifier with articles describing the ongoing work conducted by the committee.
